Professional: Remote Pair-Programming, Teamwork, Mentoring, Code Reviewer.

EXPERIENCE

HIGHLIGHTED PERSONAL PROJECTS   Remote
Full Stack Web Developer   March 2023 – Present

xGen Conference — This is a simple web application that provides updates and details about a particular community's news. It also has the potential to attach programs in the future.
- Built with: HTML5, CSS3, and Javascript

Resort App— A booking app that enables you to add, delete, and reserve resorts with full authentication for login/sign-up. It was completed through teamwork and communication.

- Built with: HTML5, CSS3, ReactJs, Ruby on Rails, and PostgreSQL.

Movies App — A movie web application that retrieves films and TV shows from an API and updates them within the app. Users can add comments and like their favorite titles.
- Built with: HTML5, CSS3, JavaScript, Webpack, and Fetch API.

Recipe App — The Recipe app is a helpful tool for creating recipes, managing ingredients, and tracking cooking time. It was completed through teamwork and collaboration.
- Built with: Bootstrap, Ruby on Rails, and PostgreSQL.

MICROVERSE   Remote
Mentor (Volunteer)   March 2023 - August 2023
- Mentored junior web developers, providing technical support through code reviews.
- Proposed improvements to code organization to improve code quality and overall performance.
- They provided advice and tips on how to maintain motivation to maintain longevity in the program.
- I provided code reviews to my coding partners.

EDUCATION

MICROVERSE   Feb 2023 – August, 2023
Remote Full Stack Web Development Program, Full-Time
- spent over 1300 hours collaborating with partners in the Microverse community to build various projects using HTML5, CSS3, JavaScript, React, Ruby, Ruby on Rails, and Bootstrap.
- Developed skills in remote pair programming using GitHub, industry-standard git-flow, and daily standups to communicate and collaborate with international remote developers.
- spent time engaging in peer-to-peer online interactions and building relationships with individuals from diverse communities and cultures.
